Pre-Activity

What is supervision?

Prior to attending the session, in preparation to assist you to connect the new information you may obtain during this module with what you already know, we require you to complete a pre-activity and come prepared to discuss during the session.

Preparation

Read the attached article;

Activity

Reflect on a supervisor you have had in the past; what makes them a good supervisor? Discuss with two of your current colleagues (i.e. student to consultant) the qualities they identify as most important in a good supervisor?

What qualities do you have that make you a good supervisor?
